

Manhattan Kansas Counseling is located in the historic Marshall Theater Building in downtown Manhattan, just south of the Chef Café.

121 S 4th St • Suite 205 • Manhattan, KS 66502

Building Entrance

Enter through the main doors on 4th Street. You may take the stairs or elevator up to the second floor (note: the stairs are steep, so feel free to use the elevator if preferred or if conditions are wet).

Stairs/Elevator

Once on the second floor, walk down the hallway to Suite 205. You're welcome to come right in — the waiting room will be open, and a place to make yourself at home until your session begins.

Aside from a few designated 15 minute parking spaces, all public parking around the building is free two hour parking. You may want to allow a few extra minutes to ensure enough time to find a space and make it into the building.
